

1961 A. N. A. CONVENTION

AUGUST 16-19, 1961

ATLANTA BILTMORE HOTEL

ATLANTA, GEORGIA

Georgia's Golden Dome

The classic renaissance architecture of Georgia's State Capitol, built in 1889 on Atlanta's beautiful "Capitol Hill," is crowned with a golden dome unique among public buildings in the nation.

Visible for miles around, the dome is covered with goldleaf from 43 ounces of gold panned from mines and mountain streams at Dahlonega, Ga., brought to Atlanta in 1858 by pioneer wagon train, and donated to the State from its own citizens and tourists from other parts of the country. Georgia gold is still much sought after and dug from the northern hills, but the State's people and its visitors gladly made this sacrifice in presenting their treasure for the dome project. Atlanta Coin Club members also participated in panning for the gold at Dahlonega.

70th Annual Convention

August 16-19, 1961

CITY OF ATLANTA

OFFICE of the MAYOR

Atlanta 3, Georgia

Dear Friends:

On behalf of the City of Atlanta, it is a pleasure to extend to you a cordial welcome on the occasion of your Seventieth Annual Convention.

We are glad you chose to meet in our city, and wish for you a pleasant and successful meeting. During your free time, we hope you will see some of the points of interest while you are in Atlanta.

Sincerely yours,

W. B. HARTSFIELD

Mayor

Welcome to Atlanta

This the Centennial year of the Civil War the Numismatists of the South have the honor of entertaining the members of the American Numismatic Association in Historic Atlanta, the only American city ever destroyed by war. It is an unique honor and we want you to see first hand the results of the rebuilding.

Today it is a thriving center of more than a million people. Many of these people, citizens of Atlanta, are descended from Eastern, Northern, Central and Western U. S. A. Their ancestors could have had a hand in its destruction and they in the rebuilding. Today it is no different from your home town except for this historic background.

We welcome you and hope that your memories of the 70th Annual Convention will be unforgettable.

We feel indebted to the A.N.A. officers for bringing the convention to this fledgling numismatic area. We are greatly indebted to the convention committees who have worked diligently to provide for your pleasure. Have a good time, and come back to see us sometime soon.

GEORGE M. TODD, *General Chairman*

Out of the heart of all Atlanta the Atlanta Coin Club is both honored and proud to be host at the first American Numismatic Association Convention ever held in the Southeast. As President of the Club, it is my genuine pleasure to welcome each of you and to say that before this Convention is over, we'll all have grown closer to and a bit prouder of the organizations to which we belong.

We of the Atlanta Coin Club are extremely proud that from a very modest beginning, our Club has grown to be one of the leaders among Numismatic organizations. Organized in 1929, it is one of the oldest organizations of its kind in the country. Every day we discover new and eager individuals who are looking toward our Club as a Mecca for their interests and desires in numismatics with many new ideas and principles encouraging our rapid growth.

We are justly proud also of our great and beautiful city of Atlanta; and we invite you to see as much of it as possible, and to carry home many pleasant memories of your visit here, along with the making of many new friends.

To each member of the organization I extend my sincere thanks. The spirit surrounding this 70th Annual Convention is sure to make this the greatest Convention the A.N.A. ever held.

Thank you sincerely,

ROY T. PAYNE, *President*
Atlanta Coin Club
